

## FACTS AT A GLANCE Clontarf® Irish Whiskey Single Malt

**Brand Credentials:** Premium Irish Single Malt Whiskey

Named after the famous Battle of Clontarf in 1014 where High King Brian Boru sent Viking invaders tumbling back into the sea.

Clontarf wants to reclaim that fighting heritage for this century – to be bold and take a stand for what we believe in. We take a stand for this amazing Irish whiskey, made with the finest ingredients available. 1014 wasn't just a year, it was a turning point. *What's your 1014?*

Using malted barley and pure Irish spring water, Clontarf Single Malt is triple distilled and aged to smooth perfection in bourbon barrels. Its nose is full of character with a sharp, grassy maltiness to it. The taste is richly textured and it finishes with varying shades of malt ending with a late oaky complexity.
