Pallini™ Raspicello

Brand Credentials:

The Pallini family, creators of Pallini Limoncello, the number-one selling ultra-premium limoncello worldwide, is proud to introduce their latest creations, Pallini Raspicello and Pallini Peachcello.

Based on a family recipe handed down from generation to generation, wild raspberries from the rugged, mountainous Abruzzi region of Italy are blended with blueberries and black currant to create Pallini Raspicello.

“Raspicello is an exquisite, skillfully balanced liqueur.” Robert Plotkin, spirits expert and author of [The Bartender's Companion](#)

Tasting Notes:

Pallini Raspicello has a ruby, jewel-toned appearance and a silky, lightweight body. The bouquet of wild vine-ripened raspberries is glorious and sets the stage for what is to follow. As the liqueur washes over the palate, the fresh fruit flavors begin to grow in intensity, with the raspberry character attracting all the early reviews followed by the subtle notes of other soft berries.

Serving Suggestions:

Raspicello Classico is served chilled or on the rocks. The delightful flavor of Raspicello is a welcome addition in creative cocktails.
